SKILLS – BACKEND (Node.js, Express, MongoDB)

- Familiar with developing RESTful APIs using Node.js and Express.js.
- Understanding of CRUD operations using MongoDB with Mongoose.
- Knowledge of MVC architecture for backend application structure.
- Familiar with handling POST, GET, PATCH, and DELETE API requests.
- Understanding of Mongoose schemas and models for data validation.
- Knowledge of req.body, req.params, and req.query handling.
- Familiar with filtering, sorting, pagination, and field limiting.
- Understanding of environment variable management using dotenv.
- Familiar with MongoDB Atlas integration.
- Knowledge of middleware usage and API testing using Postman.

SKILLS – DEPLOYMENT & DEVOPS

- Understanding of DevOps lifecycle including development, deployment, monitoring, and feedback.
- Hands-on experience with VirtualBox and VMware virtual machines.
- Comfortable with basic Linux commands and shell utilities.
- Experience using Git Bash for version control operations.
- Basic understanding of infrastructure provisioning and shell scripting.
- Familiar with Docker fundamentals and container lifecycle.
- Understanding of Kubernetes basics including pods, deployments, and services.

PROJECTS

- **Microsoft App Clone**
Replica of Microsoft website to practice layout design, responsiveness, and UI detailing.
<https://github.com/sarwar9596/FSWD-2025/blob/main/Microsft-Replica>
- **Country Information App**
Web application fetching API data to display country and neighboring country details.
<https://github.com/sarwar9596/FSWD-2025/tree/ab98d407233282df58d30fd466844ff03d6dc4/countryData>
- **Todo List App**
Interactive to-do list with task management using JavaScript and React.
<https://github.com/sarwar9596/FSWD-2025/tree/ab98d407233282df58d30fd466844ff03d6dc4/ToDo-React/ToDo%20App>
- **E-Commerce Landing Page**
Responsive landing page with DOM manipulation and UI interactions.
<https://github.com/sarwar9596/FSWD-2025/tree/ab98d407233282df58d30fd466844ff03d6dc4/login%20page>

CERTIFICATIONS

- AI/ML Intern – NIT Srinagar
- SQL – Newton School
- CCNA – Cisco Certified Network Associate (Kbit Classes)
- Corporate Readiness Course (CRC)
